

# Fortifier<sup>58</sup>

## INSTRUCTIONS

### INSTALLATION

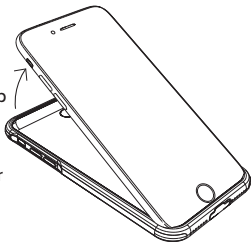

**1.** With the screen and case facing upward, insert the bottom of the phone inside the bottom end of the case.

**2.** Press the top downward until the case wraps the outer edge of the phone.

### REMOVAL

**1.** Pull back on the top part of the case and pull the phone up away from it.

**2.** Once the top two corners are free, your phone should be easily removable.
